Report of Road Commissioner

On account of a change in the state laws, the so-called Unselected Fund was expended in several different places. Lincoln Avenue was gravelled and tarred, Killington Aveune was gravelled, the cross road between Mendon and East Pittsford was widened and resurfaced and a 4 foot culvert, 22 feet long was laid on the lower end of the Post road.

Surface retreatment of the East Proctor road cost $952.31 of which the state paid $578.17.

The 5 percent and State Aid money was used on the Chittenden Road, beginning at the Pittsford line, a bad curve was widened, 500 feet were stone-based and 1100 feet were gravelled.

Calcium chloride was applied to Cold River Road, Grove Street, and to the Chittenden Road—the state paid $262.45 of the cost of this project.

2250 feet on the Billings road were resurfaced at a cost of $255.45 and 1600 feet, with a uniform width of 18 feet, were resurfaced on Grove Street at a cost of $285 91 —the state paid two-thirds of the cost of these projects.

All accounts are paid to date, February 1, 1934.

To the Tax Payers of the Town of Rutland

It has been suggested that the officials of each department endeavor to present an estimated budget for the coming year.

For the past three years the tax voted for school has not been sufficient to meet the running expenses. Fortunately, we had a surplus to our credit, so until this year we have been able to keep our schools in operation without calling for any assistance from other sources.

This year we were compelled to call on the selectmen in order to balance our budget which they agreed to do.

The school tax has been reduced from $1.40 to $1.20. We are now receiving approximately $3,000 a year less than we were receiving in past years. At the same time expenses over which we have no control have been increasing amazingly. In 1931, we had only 61 pupils attending High School, and at the present time we have 104 which is an increase of about 70 percent.

Now if the High School attendance continues to increase or even remains as it is today, we feel that it will be impossible to keep our budget balanced at less than $1.35 on the dollar. Therefore we ask the voters to vote that amount at the March election.

Respectfully submitted,

by the School Commissioners.

Report of the Health Officer

For the Year of 1933.

To the Citizens of the Town of Rutland:

During the year of 1933, thirty-six contagious diseases were reported as follows:

Mumps	13
Chicken Pox	12
Whooping Cough	5
Measles	3
Scarlet Fever	2
Infantile Paralysis	1

I also secured the services of Miss Devlin and inspected Center Rutland school. This inspection, I feel, was of great assistance to both the teachers and the pupils. I hope that during the year 1934, with the cooperation of Miss Devlin, all the schools in the town may be visited.

Respectfully submitted,

ARNOLD W. ROWE,

Health Officer.

At a meeting of the School Commissioners, Road Commissioners, Overseer of the Poor, Town Clerk and Selectmen held to consider the amount of taxes necessary to raise for the coming year it was voted to suggest that we raise a 75-cent Town tax, $1.35 School tax, 25-cent Highway tax, and a 15-cent Special tax to apply on our indebtedness.

This suggested tax-rate was based on the expenses of the year just closed and the amount that this rate will bring in the coming year.
